PEN AND INK WASH

WEDNESDAY 6TH AND 13TH MAY 2.00PM - 4.00PM (PLEASE BE PROMPT)

£30.00

Your tutor is a skilled professional local artist and began his career as a technical illustrator using drawing pens and fibre tipped markers. This course takes your basic drawing skills with pen and expands them to a new level to produce eye catching three dimensional pictures to be proud of. In the first session you will be drawing with ink and with various methods and types of pen. You will begin by sketching lightly with pencil first and ink over to build confidence then move on to techniques like hatching and dot stipple. You will then look at making ink marks using different tools like quills, bamboo cane and brush pen. This promotes the use of variable line thickness to make your artwork look more appealing and interesting. In the second session you will learn how to apply watercolour washes to a line drawing and the technique of creating tonal sketches using just soluble ink and water. It will also include the application of washes on ink drawings using both permanent and soluble ink plus the addition of watercolour.
